Monsieur et honorable Collègue!

Le 5. Aout 1879. il y aura 40 ans, l'immortel Endlicher dans le Novarum Stirpium Decas X. p. 89.

"honoribus viri clarissimi Samuelis Brassai apud Claudiopolitanos in Transylvania Botanicam profitentis, qui solus, popularibus suis tritam a Linneanis viam adusque terentibus, rei herbariae methodum naturalem libris praeclaris, hungarico sermone conscriptis, adserere conatur" dediait le genre des Araliacées

BRASSAIA.

Il est bien rare de voir un auteur, ayant depuis si longtemps déjà atteint les plus hauts honneurs, comme botaniste, paraître encore parmi les vivants dans toute sa force d'esprit.

Pour procurer un jour de joie à cet homme de mérite, nous venons faire appel à nos collègues, certains d'avance qu'ils voudront bien se joindre à notre manifestation.

Nous avons considéré comme le plus convenable d'offrir au
